

# 1937 Was A Great Year In Arlington Heights

There have been many great years in Arlington Heights, but 1937 will go down in history as outstanding in many ways. While there has been no spectacular achievement, there has been a great amount of progress made in civic affairs and in building construction.

The one thing that probably overshadows every other event, is the approval of the new elementary school by the PWA and the start of construction work on that building which will cost nearly \$150,000. The completion of this building means a better school system for Arlington Heights during the next decade.

## Arlington Recreational Facilities Second To None

The final completion of the swimming pool and the field house will be credited to 1938. These projects were started in 1936, but the year just closing has contributed considerably to the advancement of the plans to give Arlington Heights recreational facilities second to no other northwest towns.

During the past year, the park board has officially taken over the park. Construction work on the field house has been started. The swimming pool has been practically completed. This improvement can be said to exert upon Arlington Heights of the future an influence that is on a par with the added educational facilities that will be provided by the new elementary school.

## Mayor, Aldermen Perform Many Accomplishments

In municipal affairs, Mayor Flentie and his board of aldermen have kept pace with progress and in keeping with their policies of previous years have a number of outstanding accomplishments to their credit.

The most important is probably what has been hidden under the proverbial basket. Slowly, but surely, the present administration has been able to complete negotiations that have brought to a successful close controversies that meant thousands of dollars to the taxpayers of the village. Chief of these is settlement of claim against the State Bank, the settlement of final claim against the municipal building, and few others of similar nature.

## Use WPA Labor, When Possible

The present administration has always been quick to avail itself of

free WPA labor, and while such work has been somewhat curbed in recent months, yet there are many pieces of water mains and sewers that have been constructed at little cost to property owners, which are bringing real service to property owners.

These things are classed with routine business of the village government, but they are making Arlington Heights a better town in which to live for many families who were on the "edge" of the water and sewer systems of the municipality.

## \$8,000 Park Road Cost Taxpayers Nothing

With the use of gas tax money allotted to the village, Arlington Heights has a hard surfaced road on the east side of Recreation park, affording ample parking space and easy access to the baseball diamond and other features of the park. The cost of this improvement was in the neighborhood of \$8,000 and cost the taxpayers nothing, directly.

A second improvement of similar nature and to be paid out of similar funds is the opening and improvement of a street at the west end of the village that will provide hard road connections with the manufacturing plant of the Creamery Package Company. When this company was seriously considering the closing of their plant at Arlington Heights the members of the village board were quick to offer their cooperation in removing one of the barriers that held up the expansion program of the company in Arlington Heights. Meeting the company half way has meant that this large factory which is so important to the business life of the community, will stay here and new buildings will be erected.

## New Fire Truck Expected

A new \$8,000 fire truck is expected to arrive in Arlington Heights prior to the New Year's which will place the local fire fighting equipment on a par with other progressive towns of the Northwest suburbs.

Getting down to every day matters, a new pump has been installed during 1937 at the east side well. The well has been deepened and this source of water supply which was unfit for use previously has been made safe and is the present chief source of supply for the village. This pump is kept in operation 24 hours a day, being more economical in operation cost than any of the others, which are now used only for reserve supply.

## A New Year Resolution for All

There has been brought to this paper a New Year's Resolution that was written by Abraham Lincoln. The modern age may term some of the "resolves" as old time stuff, but we do know that the person who adopts that resolution and keeps it will live long, and be happy.

Do not worry; eat three square meals a day; say your prayers; be courteous to your creditors; keep your digestion good; exercise; go slow, and easy. Maybe there are other things that your special case requires to make you happy; but, my friend, these I reckon will give you a good life.

ABRAHAM LINCOLN.

## Police Now Get Radio Calls

The police department has kept pace with progress. A new police car has been purchased; the force is now fully uniformed and 24 hour police service is provided. Radio hookup has been established with the county sheriff's office which affords better police protection to our citizens and makes Arlington Heights a part of the county radio police system, which is shunned by bandits.

Additional street lights are now in operation and other improvements are under contemplation. A snow plow and weed cutting tractor have been purchased by the village. The weed cutter proved its usefulness during last summer and the snow plow is awaiting emergency snow calls now.

According to the finance committee of the board, the next goal of the village will be the retirement of a goodly share of public benefit assessments that stand against the village. There are an abnormal amount of such assessments. In the early days of street improvements, the public benefit was allowed to assume large amounts of costs, which today is not followed by municipalities. This load has been staggering, but the way is now cleared, states Mayor Flentie, to enter upon a regular program of public benefit retirement.

## Unusual Building Progress

As told in these columns last week, 1937 has witnessed an unusual building program in Arlington Heights. The building depart-

ment has issued permits during the year which total nearly \$400,000 and only a start has been made states realty men and others who are interested in vacant property.

Scarsdale has been the scene of the greater part of the building program the past year. The reopening of this subdivision to home seekers was only made possible by the pooling of the interests of bond holders and creditors of the special assessments therein which totaled half a million dollars. Nearly all of the property within that subdivision is now clear of taxes and ripe for expansion.

There has been a lot of building in other parts of the village while in the business district there have been two big changes. The remodeling of the Sadeck block has given the west end of the Campbell street business section a modern appearance and tended to raise property values there.

## Farm Bureau Remodels

The purchase of the Arlington Heights State Bank building and its remodeling by the Cook County Farm Bureau and its remodeling by the Cook County Farm Bureau has removed the last depression black eye of Arlington. There is now an empty bank building and the structure that was meant to mean so much to the people of the municipality when it was constructed is now serving a wider and greater purpose by being the farm bureau home of the entire north half of Cook county.

## Arlington High To See History Picture

Arlington Heights high school will be guest to a historical picture, "The Eighty Years," presented by the Borden-Wieland company, next Tuesday.

The historical drama will portray moments in the lives of great men since 1857, the trials that confronted the early automobile, Alexander Graham Page and his first telephone, scenes of the world war, and the crowning and dethronement of kings.

## Neighborhood Fight Enlivens Festivities On South Duntun Ave.

The 300 block on South Duntun street had a Christmas celebration of its own Christmas day when the neighbors took sides and joined in a general fistie battle until the arrival of the police. It all started when a car driven over a curb destroyed a recently installed house numbering post.

## Wives Relent and Free Husbands

Two Arlington Heights husbands got into trouble and were taken to the lockup Christmas day. Both phoned word of their plight to their wives. The latter decided for a time that a Christmas in jail might be good medicine, but later relented and together went to the police station and secured the release of the two men.

## Arlington Nut Shop To Remain Open Entire Year

Frank Katzke, proprietor of the Arlington Nut Shop, has decided that this town rates an exclusive nut shop the entire year and is making plans to have his store at 6 So. Duntun carry twelve months of the year the same extensive line of nuts and candies as are to be found there today.

Mr. Katzke says, "the housewife who desires the highest grade of nuts will appreciate the opportunity of purchasing such brands in Arlington Heights at my store. It is unnecessary to send to exclusive food shops in Chicago when you want particular nuts for a particular purpose. Nuts are used every day in many kitchens and I am here to supply those nuts."

## Fire Losses Were At A Minimum

### No Loss Over \$200 At Arlington Heights During 1937

Fire Chief Geo. K. Volz and the members of the Arlington Heights fire department can look backward upon 1937 as a year of few fires, no fatalities and small fire losses.

The fire department responded to 17 alarms during the year, two of which were from outside of the municipality. Upon June 7 at the request of Chief Comfort of Palatine, the local fire department aided in fighting a burning feed mill, which was completely destroyed in that village. August 11 a home at the corner of State and Palatine roads was struck by lightning and two fire departments prevented a total loss, although the damage was heavy and the home was rebuilt.

All of the 15 fires during the year that occurred within the municipality, were small and the damage in no case exceeded \$200. The causes of the fires will be interesting to Arlington Heights people and again emphasizes the fact that fire prevention must be general. Two fires were caused by shorts in electric light wires; two by sparks from chimney; two from oil stoves; two were auto fires. The other causes were:

Christmas wreath.  
Cigarette stub.  
Overheated fire place.  
Leak in gas pipe.  
Playing with matches.  
Use of blow torch.

Warming quilt on stove.  
Thus seventeen fires resulted from thirteen causes. All except one of them could have been prevented if the residents had exercised proper care for prevention of fire.

Arlington Heights has an excellent fire department and maintains a full time man at the municipal building to sound fire alarms, but seventeen fires are seventeen too many in the estimation of fire chief Geo. K. Volz.

Mr. and Mrs. Randolph Boswell and children of Kilgore, Texas, are guests of the E. Hellers for several days this holiday time. Mrs. Boswell is Mrs. Heller's sister.

## 600 Pounds of Food Collected at Theatre

Oliver Lynk, theatre manager, C. L. Griffith, president Business Men's association and James Apostol, proprietor of Arlington Theatre, standing before 600 pounds of food that was left there in place of regular admission fee.

This food has been placed in charge of the American Legion, which organization, at the request of local organizations, will distribute it to needy people. The food is non perishable and some of it was added to Christmas baskets distributed last week.

## Park Board Asks Cooperation

The Park Board is endeavoring to furnish the South Side with skating facilities and has flooded some streets in Scarsdale south of the Chicago and North Western tracks. It will be necessary to have the cooperation of both old and young if this is to be continued. Such malicious mischief as has been taking place within the last two weeks must be stopped or else no more skating. For the benefit of the public we wish to advise that there is no money available for park policing, and therefore we must depend upon the public for their cooperation.

Here is the list of the various acts of vandalism as reported to us and which must absolutely cease under penalty of arrest and fine:

Red lantern globes broken.  
Wicks taken out of the lanterns and the lanterns scattered all over the premises.  
Gloves on street lights broken.  
Skating on ice while throwing.  
Automobiles driving on the ice and cutting it up with their chains.

We are making this plea to the public and to parents to see if this vandalism can't stop and the district enjoy skating. We also wish to notify the public that if it does not stop, skating facilities will be withdrawn.

GEO. K. VOLZ,  
Pres., Park Board.

## Two Christmas Fires At Arlington Heights

A window wreath was to blame for one Christmas fire at Arlington Heights and sparks from a chimney caused a second fire in Arlington Heights.

A lighted window wreath which set curtains burning caused the destruction of a tree, ornaments and part of the room furnishing at 7 o'clock Christmas Eve at the home of Gilbert Mrs. 218 S. Vail Ave. Chemicals of the fire department extinguished the blaze at a small loss.

The second fire occurred Christmas morning at 10:30 at the home of William Dalrymple, 1004 N. Mitchell. Sparks from chimney destroyed the blaze, which was quickly and easily extinguished by chemicals. The accessibility of the attic permitted the firemen to reach the blaze quickly. The loss was small.

## Arlington Ballroom New Years Eve Party

Arlington Ballroom, Higgins road and State road, is giving a New Years Eve party with Mel Borchardt and his orchestra furnishing the music and entertainment for the evening beginning at 10 o'clock.

Novelties, door prizes and noise makers will be furnished with a complete evening's fun for 75 cents.

## Annual Voters Meeting At St. Peters Jan. 9th

All qualified voters of St. Peter Lutheran church are requested to attend the annual business meeting on Sunday, January 9, 2 p. m. Reports will be read by the various boards on the activities of the past year, including a detailed statement by the finance board.

Recommendations will be made on the policies of the church for the new year, and the new budget will be presented. An important matter is the election of the new officers for the ensuing term. Ballotting will begin a half hour preceding the opening of the meeting.

## Are You One Of The 333?

With Christmas past there is only one job left for Arlington Heights—the prompt remittance of those three-hundred and thirty-three letters still unaccounted for from the 1937 mail sale of the Christmas seals. The box is still in the Arlington Heights National Bank waiting for everyone to deposit his envelope.

This is one opportunity to do your part in the health of the local community, and there are seals for the one penny contribution up to the five and ten dollar bonds which may be purchased.

To date the sale has gone over the goal attained by the first mail sale. So hurry and help to swell these returns.

## Wheeling Township Democrats To Meet Monday Evening

There will be a meeting of the men's division of the Democratic organization of Wheeling township, Monday evening, January 3, 1938, 8:00 p. m. at the headquarters, Meyers Pavilion, South State road.

At this meeting, the nominating committee will present to the organization, their recommendation for officers to be elected for the coming year. Arrangements have been made for several prominent speakers and refreshments will be served.

## \$50,000 Dividend For Farm Supply

Lake-Cook Farm Supply company declared the biggest dividend in the history of the company, according to the Board of Directors. This dividend is payable to farmers in Lake and Cook counties and amounts to approximately \$50,000.00, representing 6% on preferred stock, 16% on Petroleum products, and 5½% on feeds and other miscellaneous products.

The large dividend was made possible by a 40% increase in business, which brought the annual volume to well over the half a million dollar mark. Such an increase in business with resulting dividends is phenomenal in this year of depressed business.

Lake-Cook Farm Supply has completed ten successful years of business, in which a substantial growth has been made each year, and in which a dividend has been earned and paid each year. The Lake-Cook Farm Supply company serves the farm trade of Lake and Cook counties with a full line of Farm Supplies including petroleum products, feeds, seeds, etc., and is entirely owned and operated by the farmers.

The Tenth Annual meeting of the Lake-Cook Farm Supply company will be held at the Masonic Temple at Des Plaines at 10 a. m., January 15. Watch this paper for further announcements.

## Arlington Society and Club Events

Community Entertains Friends Over Christmas Holidays

The Order of Eastern Star chapter of Arlington Heights held their Christmas party Thursday evening at the Presbyterian hall. A pleasant time was enjoyed, with an exchange of gifts, making much merriment.

Mrs. Lama of Stonegate entertained twelve friends of her sister, Mrs. Brynaldson, last Wednesday at a lovely luncheon. Christmas decorations were used on the tables and the afternoon was enjoyed at bridge. The hostess was very surprised to find the party honoring her, as well as her sister, when the guests presented her with some very lovely gifts. Mrs. Brynaldson was presented with a bouquet of roses and chrysanthemums.

Mr. and Mrs. Brynaldson are finding their visit a very busy one, many friends are keeping their calendar full. They were dinner guests at the O'Hagan home in Seaside Monday evening, and later attended a party in their honor in Saginaw. Topping's entertained them at a pinochle party one night last week. Thursday the Richard O'Brien's entertained at a bridge party in their honor. Tuesday evening they are to be dinner guests of the Charles Peterson family in Elmhurst, formerly of Seaside.

Mrs. Cleveland went to her son's home in Bloomington to spend the Christmas holidays. Mr. and Mrs. Robert Blackburn entertained Mrs. Blackburn's family of Chicago, for Christmas day. Mr. and Mrs. David Brown and family of River Forest for dinner, Tuesday evening. Thursday evening, they are entertaining Mr. and Mrs. David Hoffman and family of Chicago and the Henkens of Seaside for two tables of bridge.

Mr. and Mrs. H. Busse and children spent Christmas with Mr. Busse's mother, Mrs. C. C. Swartz.

### Club Calendar

Jan. 12, American Legion Aux. card party.  
Jan. 26, dessert luncheon and style show.  
Call 567, for placement of dates of coming events.

The Corephelia society will meet Monday evening, Jan. 3, at the home of Mrs. Moric, in the Vail-Davis building at 8 o'clock.

### P. T. A. To Hear Of Social Safety

The Arlington Heights Parent-Teacher association will discuss the subject of Social Safety, at their meeting this month. This is the next step in their year's program based on the theme of "Making Our Community Safe."

It is important that the parents should realize the dangers of our present social "set up," and how much these evils affect our youth of today.

On January 18, Mrs. Blanche Timmons, member of the Federal Narcotic Squad and chairman on Moron Investigation, will speak on "Removing Social Evils." Mrs. Timmons is a speaker of much ability, and brings a message of vital interest to all parents who are interested in bringing up children, to live safely and sanely in a world which does not make this easy. All who have heard Mrs. Timmons speak, recommend her highly.

### Legion Auxiliary Notes

The January business meeting of the Legion auxiliary will be held at the home of Mrs. Victor Pecchia, 1108 N. Dunton, instead of the Legion House, the time 8 o'clock, Jan. 4.

The Cook County Council meeting will be held Jan. 7, call the president, for time and place. The tickets for the afternoon card party

and luncheon on Jan. 12, are selling well, come and bring three friends and make up a table. The tickets are 35c.

Mrs. Jones Christmas party was a grand success, even nature took a hand in decorating the trees and shrubs outside. Aladdin and his magic lamp had changed the house to a fairy garden, as a proper setting for the Christmas tree. It would take too many adjectives to describe the table, but the luncheon was most satisfying, both to sight and to palate. There were seventeen present, and every one had a good time.

### Irma Noack Is Christmas Bride

Miss Irma Noack, daughter of Rev. and Mrs. C. M. Noack of Arlington Heights, was united in marriage at 4:30 Sunday afternoon, Dec. 26, to Friedrich Mueller, son of Rev. and Mrs. F. W. Mueller, of Napoleon, Ohio. The marriage ceremony took place in St. Peter's Lutheran church, where the bride's father has been the pastor nearly forty years. The father of the groom delivered the wedding address and the father of the bride tied the nuptial knot.

Teacher Landeck presided at the organ playing "Pomp and Circumstance" as the attendants entered the church and Lehengrin's wedding march as the bride passed down the aisle. During the ceremony he softly played "Take Thou My Hands and Lead Me."

The bride and all of her attendants were attired in white velvet. The bride carried white mums and the others pom poms and poinsettias, making a beautiful and impressive setting for the solemn vows that were spoken. Miss Ruth Noack, sister of the bride, was maid of honor; Mrs. Rauhut of Chicago, matron of honor; Ruth Mueller, sister of the groom as bridesmaid and Esther Karstens as junior bridesmaid.

Following the ceremony a reception was held at the parsonage, which was followed by a wedding dinner for sixty-five at the church hall, where Rev. J. E. A. Mueller of Mt. Prospect and uncle of the groom, acted as toastmaster.

The groom was attended by Robert Mueller, his brother. The ushers were Paul Diener and Arthur Rauhut. Mrs. Mueller has resided in Arlington Heights all of her life, has been active in young peoples work of the local church and graduated from the Luther Institute in 1927. She has been employed by the Carnegie Illinois Steel Co., a position from which she resigned a week ago.

Mr. Mueller graduated from Ohio State University in 1932 and is now employed at the "Pulse" Laboratories at Northfield. The happy couple will occupy a bungalow at 622 West Campbell street, where they will be at home to their friends and have the best wishes of the Lutheran and other circles of Arlington Heights.

### Mother's Club To Meet Wednesday

The Mother's club of the Methodist church will meet at the home of Mr. A. D. Hines on So. Evergreen, Wednesday evening, Jan. 5. Each member is to bring a cartoon on home life. The third part of the Child Study program will be presented, "Home As A Whole."

### Missionary Society Christmas Party

The Missionary society of the Methodist church enjoyed a Christmas party last week on Monday evening. Mrs. Plumely gave devotions fitting the occasion, and Miss Roberta Stuart gave several Christmas readings, and several of the girls in Mary Meyer's class sang Christmas songs. Christmas refreshments were served and a social time enjoyed.

### Accepts College Position

Robert Mueller has recently been named director of publicity and advertising on the faculty of Kuylen College, Gambier, Ohio, where he graduated in 1936. Robert spent the holidays with his parents, the H. Muellers.

### Woman's Club To Hear About Current Topics

The Arlington Heights Woman's club will hold the first meeting of the new year, January 5, at the club rooms in the Methodist church, with a topic of great interest to all. Mrs. Gertrude Lieber who will talk on Current Topics, is well qualified to discuss such a subject. She has been active in club affairs along this line for some years, and in public affairs as well. She is a dynamic speaker, and no doubt will give much information on Current affairs, that is hard for the average person to obtain. Miss Claire Tellow, contralto, will entertain with vocal numbers. There will be a district meeting Thursday, Jan. 13, at the Park Woman's club, hostess, at the First Evangelical Lutheran church, 3062 Palmer Square. Delegates are Mrs. Willard Pate and Mrs. Karl Militzer.

Mr. and Mrs. Geo. C. Heiber and Mrs. Wm. Jahn, visited relatives in the city, Saturday.

Mr. and Mrs. L. L. Clark and family spent Christmas Eve with the Lunning family and enjoyed helping make merry with their granddaughter, Saturday they entertained their children in the family home and Mr. Frank Schulenburg, was a guest, also.

Christmas Eve, Mrs. D. G. Beatty went to the home of her son, J. Y. Beatty, where with Mr. and Mrs. J. Turner, they all enjoyed a family party.

Mrs. E. C. Smith and Mrs. R. Perin, went to the city to spend Christmas with their sister, Mrs. Sigwalt and family.

Mr. and Mrs. Jos. Melzer entertained her brother, Mr. R. J. Reed, Christmas day. In the evening, Mr. and Mrs. Melzer went to Des Plaines to join a family gathering in the home of his parents.

Miss Faith Lorenzen is spending this week in Peoria with Mr. and Mrs. S. Edward Eifeld.

Mr. and Mrs. W. A. Miles spent Christmas Eve at home with their family, Miss Betty and Miss Andrews. Their son, Bill, was unable to make the trip from Seattle to join them, but he called his greet-

ings via telephone, to assure them he is well and busy. Christmas day they went to the city to join the Mark Miles family, according to the usual custom.

Mr. and Mrs. J. Y. Beatty entertained their home Saturday, Jan. 3, D. G. Beatty, Mr. and Mrs. J. Turner, Mr. and Mrs. J. Fagin of Elmhurst; Mr. and Mrs. Meacham and baby, Libertyville; Miss Greenhagen and friend from Chicago; also a college friend of Mr. Turner, Mr. Keiser, who with his wife, has recently come from Columbia, So. America, where he was employed by a telephone company and has been transferred to home territory. Mr. and Mrs. Keiser were interesting guests and added to the Beatty party program, moving pictures of scenes in So. America, giving a charming finish to the dinner and holiday features provided by the hosts for their guests.

Last week Thursday evening the operators of our "Central" phone office met at the home of one of their members at 616 E. Euclid avenue and enjoyed their annual party. Games, refreshments and exchange of presents made this a real party and a happy ending of 1937 social events enjoyed by these busy, accommodating operators.

## **CHRISTIAN SCIENCE CHURCHES**

"Christian Science" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 26.

The Golden Text was, "Ho, every one that thirsteth, come ye to the waters, and he that hath no money; come ye, buy, and eat; yea, come, buy wine and milk without money and without price" (Isaiah 55:1).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Now about the midst of the feast Jesus went up into the temple, and taught. And the Jews marvelled, saying, How knoweth this man letters, having never learned? Jesus answered them, and said, My doctrine is not mine, but his that sent me. If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself" (John 7:14-17).

The Lesson-Sermon also included the following passages from the Christian Science Textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Christian Science understood, coincides with the Scriptures, and sustains logically and demonstratively every point it presents" (p. 358).

## **Bowling Notes**

by HERB HAMMERL

After the 15th week of bowling it is Hamms Beers out in front by six games. That seems to be quite a lead to overcome. The Hamms have outkicked all the other teams so far. When the Hamms are hot they are hard to beat, and when they go bad, their opponents are just a little worse.

Over on 1 and 2 the Cafe gave Krause's Market a two game licking. Henry Kehe was high for Cafe with 568, and his 225 was good for the "back." Fred Kehe ran into some hard luck last night. What happened that first game, Fred?

It was Blatz's hard luck to meet E. Hogray. 169 220 183—572 and 4. Hamms took the first two J. Brodnan 194 238 174—606 games but left the last one for D. Kehe 199 204 221—624

On 5 and 6 the Elevators bowling a man short again, took two games from El Rand and only lost the second game by two pins. Harry Nordendale was high with 607 and his 234 won the dollar.

## As We See It--

We can not let pass unnoticed in this column the Christmas messages that were broadcast from the tower of the Arlington Heights Lutheran church during Christmas week. It was novel, the programs were well selected, they were well produced and could be distinctly heard and understood anywhere in Arlington Heights. The true Christmas spirit was thereby given a foremost place. There is no doubt that Christmas meant more in this town this year because of those broadcasts.

In behalf of all churches of this community and the public generally, this publication expresses its appreciation to those who were directly responsible for its presentation. We understand that the real donor of the service prefers to remain unknown. It must have been a joyous Christmas to him, as his was a real gift to the community.

### EVERYBODY HAPPY

If there was a disappointed boy or girl or a hungry family in the village of Arlington Heights Christmas Day, the social groups were unaware of that fact. Supervisor Chas. F. Grandt reports that all of the names upon his list of needy Arlington Heights people, were exhausted by those who desired to extend Christmas cheer. The condition in other parts of the township were not so satisfying. "Arlington Heights," states Mr. Grandt, "has reason to be proud of the manner in which its people responded this Christmas season."

### WHAT? NO DECORATIONS?

It will probably be a long time before Arlington Heights will allow another Christmas season to pass without greater recognition in the business district. What was everybody's job, proved to be nobody's job and the business district was allowed to go undecorated. Aside from a Christmas tree, provided by the Lions club, there was just no decorations upon our streets.

We are not blaming anybody but the business men can only blame themselves. A number of them have said, "never again."

### THAT SKATING POND

The Herald does not know who is to blame for the hoodlum spirit that has wrecked the southside skating pond, destroyed the lights and otherwise played havoc to such an extent that the skaters of Arlington Heights are being deprived of the opportunity of outside recreation.

However, there are some people in this town who do know their identity. By not reporting the culprits to the police department they are not themselves law abiding citizens in that they countenance such acts of vandalism. The sole purpose of the park board at the present time is to prevent a repetition of such acts. They are making one more effort to provide the skating pond. Failure to receive the cooperation of the public will mean that the project will be dropped this year.

Arlington Heights is a town of 5,000 inhabitants. Are a few vandals to rule the five thousand? These boys who break lamps and drive cars over the ice surface will ignore the rights of property owners in larger things unless they are stopped right now.

The people who destroyed that pond today, may be the ones who will rob and kill tomorrow. For their own welfare and the welfare of society, they should be stopped RIGHT NOW.

### Sieburg Drug Store Makes Sixteen Children Happy Christmas

With the completion of the annual prize contest at the Sieburg Drug Store Christmas eve, there were eight boys and eight girls who were very happy Christmas morning as they called at the store to receive their prizes. The interest this year, reports Mr. Lussman was very great. Those who won the prizes are:

Boys—Ralph Becker, Melvin Behn, Rodney Pelletier, Jackie Monroe, Erwin Mattes, Gene Stroker, Scooter Helfers, Aubrey Neville. Girls—Joan Buncie, Patty Boyles, Jackie Luehring, Dolores Windheim, Elaine Allison, Betty Tischer, Audrey Wahl, Burnette Burns.

### Close of Year and New Year In Divine Services At Lutheran Church

In accordance with ancient custom the Lutherans will observe the passing of the old year with penitential services. All members of the church and their friends will have an opportunity to spend the final hours of the year in divine worship, for services will be held at St. Peter's church on Friday in German at 7:30 p. m. and English at 8:45 p. m. Pastor Erickson will preach the significant topic: "The Clock Strikes Twelve!"

The new year will be ushered in likewise in a Christian spirit with prayer and worship on Saturday, January 1. Worship in German is at 9:30 a. m., followed by the English service at 11 a. m. The sermon topic is: "Keeping the New Year With Jesus."

All members and friends of the church are invited to keep the passing of the old year and the beginning of the new year in a Christian manner by attending these services.

### Legion Commander Invites All Ex-Service Men To Join

The Commander of Merle Guild Post American Legion, extends a cordial invitation to all ex-service men who are not as yet Legionnaires to join with their comrades and buddies in promoting the welfare of a most worthy organization. Our dues are but \$3.00 a year, and you will get \$300.00 in value. As we stood shoulder to shoulder in time of war, let us stand shoulder to shoulder in time of peace so that we may safeguard the lives and happiness of all our American boys and girls.

### Meyer Brothers Take Over Fessler Dairy New Years Day

Meyer Brothers Dairy will serve the patrons of the Fessler Dairy of Arlington Heights upon the first of January. The new organization wants to start things out right in 1938 and they have pledged to deliver the same high quality milk and eggs that Mr. A. H. Fessler has delivered to the community for many years.

Albert W. Meyer has been with Mr. Fessler for seven and one-half years and his brother, Herman J. Meyer, has lived near Arlington Heights for many years.

### Complete Excavation For New School

Members of the board of education of Arlington Heights elementary school are looking forward to early completion of their building upon schedule time. The contractor, Axel E. Johnson, has shown by the progress of the work today, that there will be no lost motion upon that job.

The excavation is completed and forms are being put in place for the pouring of the concrete.

## Happy New Year

A New Year ahead! New opportunities . . . new things to see and do . . . new friends to make. All in all, many days to look forward to. May 1938 be kind to you, bringing you the fullest share of prosperity and good health. And lest we forget: it means keeping alive our friendship for another year!

### Scout Troop, Sponsored By American Legion, Asks For Papers, Magazines

Some 25 boys, all members of Boy Scout Troop No. 5, which is the troop sponsored by Merle Guild Post of the American Legion of Arlington Heights, will canvass the town of Arlington Heights to pick up old newspapers and magazines, Saturday, January 8.

The money derived from the sale of these papers and magazines will be used for the purchase of uniforms and equipment for these boy scouts. According to one of the principals of a boy scout, he is required to earn the money for such a purpose.

Merle Guild Post, which is very proud of the boys in its troop and is doing everything possible to build the troop up so that it will be a credit to the community as well as the post, is asking the cooperation of the business men and residents of Arlington Heights in going through their basements and attics and digging up all their old papers and magazines and giving them to these boys.

In order to facilitate this pick-up, it has been arranged that all those who have any old papers or magazines wish to give to the boys to call up the American Legion Home, 1572, leaving the name and address and what time you would want the boy to call.

By cooperating in this, the business man and resident of Arlington Heights is accomplishing two purposes: Namely, getting rid of a lot of old papers and magazines that usually are in the way and helping a Boy Scout earn the money to buy himself a uniform.

### Hold Services For Arlington Resident

Funeral services were held Friday for Mrs. Anna Krell, 70 years old, Arlington Heights, at the Lauterburg and Oehler funeral home with interment in the Ridgewood cemetery, Chicago. The Rev. H. A. Kossack of the Arlington Heights Presbyterian church officiated.

Mrs. Krell died at the Northwestern hospital, Des Plaines, December 21, after a brief illness. She has been living with her daughter and son-in-law, Mr. and Mrs. Joseph Adamson, 14 E. Euclid, Arlington Heights.

Mrs. Krell was born November 19, 1867, at Schwarzburg, Germany. She married Albert Krell September 24, 1895. She is survived by her husband, and three children, Albert Krell, Jr., of Mercedes, Texas, Charles Krell and Rose Krell Adamson of Arlington Heights, five grandchildren and two brothers, Fred and Charles Koethe of Foley, Alabama.

## TELEPHONE RATE ADJUSTMENTS will go into effect in Illinois IN JANUARY

THERE has been a readjustment of various telephone charges throughout the state of Illinois which, it has been estimated, will save the public about \$2,600,000 a year.

The Illinois Bell Telephone Company is arranging to notify all subscribers about the changes. Details of the new rates also are on file in every Bell Telephone Business Office in the state.

During the last few years, our business has improved. However, there have also been large and unavoidable increases in expenses, due chiefly to new taxes and higher payrolls, representing principally wage increases.

Nevertheless, the Company is putting the new rates into effect in January, in the hope that our business will continue to improve, and that increased use of telephone facilities will offset, partially at least, the immediate losses in revenue caused by the lower rates.

Some of the new rate classifications will offer definite service improvements to customers, as well as savings. It is hoped that these will make telephone service of even greater value to the people of Illinois.

### Legion Announces Spread Of Christmas Spirit Thru Year

The American Legion of Arlington Heights wishes to take this way of thanking the management of the Arlington Theatre and the school children who donated so generously of canned goods and other articles to the needy of Arlington Heights. The Legion has received all this merchandise in good order and due to the shortness of time we were unable to prepare baskets to be given out at Christmas time, but the Commander of the Post and his associates have deemed it advisable to store this merchandise and give it to the needy throughout the year under the supervision of a very competent person in Arlington Heights. The Commander does not

approve of only a big feast on Christmas, as there are 364 more days in the year in which people will be in need of assistance. As you well know, the Legion is a service organization and is endeavoring at all times to render service to those who are in need. Again thanking the public for their generous cooperation throughout the year in our many activities, we wish you all a very prosperous New Year.

### HOW TIMES HAVE CHANGED

THIRTY-FIVE years ago eggs were ten cents a dozen; milk was five cents a quart; the butcher gave away liver; the hired girl received a dollar a week and did the washin'. Women did not powder and paint (in public), play Poker or Shake the Shimmy and they were taught to cook at the age of six.

Men wore whiskers and boots, chewed tobacco, spit on the sidewalks and cussed. Laborers worked ten hours a day and never went on a strike. No one was ever operated on for Appendicitis; microbes were unheard of; folks lived to a good old age and every year walked miles to wish their friends—"A MERRY CHRISTMAS" NO MORE HEARTY THAN I WISH YOU.

TODAY the digger in the ditch has luxuries the rich man's millions could not buy thirty-five years ago.

TODAY everybody rides in automobiles; plays the piano with their feet; goes to see the movies, blames the H. C. of L. on the Republicans or Democrats; never goes to bed the same day they get up, and think they're having a H— of a time.

These are the days of the Radio, the Phonograph, the Picture Show, the Airplane and LIFE INSURANCE. If you think life is well worth insuring, I wish you—

A MERRY CHRISTMAS  
and a  
HAPPY NEW YEAR.

## Barrington Church To Be Dedicated

First Church of Christ, Scientist Is Structure Of Colonial Style

First Church of Christ, Scientist of Barrington, will be dedicated Sunday, January 9, according to an announcement made by the board of directors of the church. It is generally known that Christian Science churches are not dedicated until the edifices are free from debt. Services, to which the public is invited, will be held that day at 10:45 a. m. and 3:30 p. m.

The church building is a white frame structure of the second period colonial style. A four column portico distinguishes the front of the building. Inside, a foyer extends the width of the church. From this foyer doors open to the main auditorium, at the front of which is an elevated readers' platform. The foyer walls are paneled with knotty pine, while those in the main auditorium are in light shades of green, gray and ivory. The auditorium, which includes a balcony across the church above the foyer, has a seating capacity of 280.

Starting in 1910 with a very small group of people meeting in private homes for the reading of the weekly Lesson-Sermon, Christian Science activity in Barrington did not become organized until 1915 when a society was formed and named the First Church of Christ, Scientist in Boston, Massachusetts. For some time afterwards meetings were held in public halls.

The Society developed in a few years into a Church organization. The present site for the building of the church edifice was purchased in 1922 and the first unit of the church structure was built in 1924-25. The room then used for the auditorium is now occupied by the Sunday school. In August, 1934, the enlargement and completion of the church building was begun, and this work is now finished. A reading room was established in 1927 for use by the public. Its present location is 114 East Station street.

## Country Town Tax Collections Far Exceed Other Years

A gradual increase in tax collections by collectors in the country towns during recent years culminated this year in a record breaking collection, according to figures released by County Treasurer Horace G. Lindheimer.

Total collections to date by collectors in the country towns on the 1936 real estate levy amount to \$11,462,476.77. Mr. Lindheimer's statement shows. This sum exceeds by almost one and a half millions the \$9,956,335.49 collected in this classification last year by country town collectors and is more than two millions above the \$9,331,362.29 collection for the preceding year.

A similar increase is shown in the figures for personal property tax collections for 1936. Collections in the country towns on the personal property levy now total \$2,214,321.74 compared with \$2,125,627.64 collected in 1935. Personal taxes collected for last year and \$2,906,166.52 for the year before. In all cases, figures given for years prior to 1936 represent the total collections made up to date. Thus the collections for 1936 are far in excess of the amounts collected at the corresponding time in previous years.

For the benefit of taxpayers in the country towns who are still delinquent in their special assessment payments, Mr. Lindheimer reiterated the warning he issued last week that he must go before the county court next week and make application for judgment and order of sale on all such delinquencies. Since this procedure is a matter of law there is nothing the treasurer can do to avert or delay the sale. Mr. Lindheimer urged all delinquents to pay up their bills before the sale begins. The total assessment delinquency in the country towns is now approximately \$119,000.

## Mount Prospect Youth In Xmas Eve Accident

A Christmas Eve collision at Stonegate, Arlington Heights, was caused when a Chicago driver stalled his engine when turning into Park Lane from the Northwest highway and was struck by the car of a Mt. Prospect youth. No one was injured.

Sidney Manaway, Mt. Prospect, was driving west on the highway, and the Rev. Frank Wittner, 2449 Parwell avenue, Chicago, was driving east when he attempted to turn left, resulting in a collision on the outer lane. The cars were slightly damaged.

## Depositors May Get New Dividend

Ten Per Cent Possible From Palatine State Bank

Creditors of the State Bank of Palatine may receive an additional dividend shortly after the first of the year of between ten and twelve per cent. No announcement of such dividend has been made by the receiver but Attorney A. G. Humphrey, who represented fifty-six stockholders in settlement of their respective liabilities has put in motion machinery which he and others hope will result in the new dividend.

We understand that the receiver of the bank has on hand only a small amount of cash derived from liquidation of the bank's assets and that such amounts as may be received must be paid to the Reconstruction Finance Corporation on account of the loan made for payment of earlier dividends to the creditors.

"That loan now amounts to approximately \$11,300,000, but contemplated liquidations within the next sixty days should enable its reduction to \$2,500,000 or less."

"In connection with the suit filed to enforce the constitutional liability of the stockholders, Mr. Humphrey represented fifty-six stockholders who have paid a total of \$22,851.81 in settlement of their respective liabilities. A few other stockholders, represented by other attorneys, have paid approximately \$4,000.00. Out of the total paid to the Receiver in the stockholders' liability suit, slightly less than \$9,000.00 has been disbursed for expenses of audit, court costs, premium on Receiver's bond and fees for the plaintiff's attorney, the Receiver, the Receiver's attorney and the Master in Chancery. If our information as to the receipts and disbursements is correct, there should remain slightly more than \$17,000.00 for payment to the creditors of the bank. On the basis of total deposit liabilities of \$133,766.83 (at the time of closing the bank after deducting proper set-offs) it should be possible to distribute ten to 12 1/2% on account of said deposit liabilities."

Attorney Humphrey has many clients in Palatine and vicinity and he hopes that his efforts in securing settlement with a large part of the stockholders will result in additional funds being paid to the depositors.

## Ritz Brothers Unite Talents To Reach Fame

Many young men and women have trained themselves in one profession or another in accordance with the advice of friends or relatives only to find that success came to them through an entirely different talent.

If the merry, mad Ritz Brothers, who are starred in the Twentieth Century-Fox musical smash, "Life Begins in College," in which Joan Davis, Tony Martin and Gloria Stuart and a notable cast are featured, opening Sunday and Monday at the Arlington Theatre, had followed the advice of others they would have been ballroom dancers.

It was during a dance contest, however, that the Ritzes decided to turn their attention to comedy. A judge, recognizing the perfect rhythm of the dancers which is a fundamental of the Ritz' special type of humor, talked the matter over with them and suggested they combine their dancing talent with comedy.

Today the Ritz Brothers are at the top of film fame, a pinnacle they reached because of their particular type of rib-tickling comedy antics. In the remarkably short time of one year, they have become known to millions from coast to coast.

## Palatine Has No Relief Funds

Tax Funds Gone; Efforts To Sell Tax Warrants Fail

The relief load in Palatine township is increasing weekly according to John H. Meyer, supervisor and relief administrator.

The total number of families now on relief in the township numbers 54 representing some 200 persons.

The tax funds collected from the 30 cent relief tax during the two tax collection periods and that received in delinquent taxes from the county collector amounted to something over \$6,000, but that money has been used up and there has been no state aid forthcoming to date.

## Mutual Insurance Co. Announce Annual Meet Tuesday, Jan. 11

The annual meeting of the Cook County Mutual Fire Insurance Co. will be held at the Lutheran school

hall, Mt. Prospect, Tuesday, Jan. 11, commencing at one o'clock.

George Busse, secretary of the company states that there are three directors to be elected, one to fill a vacancy. The annual reports will be presented to the stockholders. This company has suffered no serious loss the past year and is today recognized as one of the strongest mutual companies in northern Illinois.

## OBITUARY

Mathilda Lemke

Mathilda Lemke, nee Carnehl, was born April 7, 1862 in Mecklenburg Schwerin, Germany, there also receiving the Sacrament of Holy Baptism. At the age of eleven she came to America with her parents who settled in Des Plaines, where she was married to Frederick Lemke at Des Plaines on Feb. 2, 1879. The couple first lived in Park Ridge then moved to Northfield where they resided for 20 years, whereupon they established themselves in Wheeling township on Hinz and Wheeling roads, where deceased passed the last thirty years of her life. Her husband passed away three years ago. Her end came on Monday, Dec. 20, at the age of 75 years, 8 months, 13 days.

Funeral services were held on Thursday, Dec. 23, with a large number of relatives, friends and neighbors in attendance at St. John church, of which deceased was a member since its founding, her husband having been one of the charter members.

Her departure is mourned by her loving children, Friederika Buesing, John, Fred, William, all of Wheeling township, and Mathilda Metz of Arlington Heights; 10 grandchildren; one great grandchild; two sisters-in-law, Friederika Deering, Highland Park, Mrs. Joe Carnehl, Park Ridge; one brother-in-law, Park Ridge; three daughters-in-law; two sons-in-law; besides other relatives and a large number of dear friends.
